## About

Award-winning documentary and unscripted filmmaker with credits across Peacock, ESPN, CBS Sports, Discovery, Animal Planet, Amazon, PBS, and Cooking Channel. Experienced as a director, editor, and producer, with a focus on character-driven storytelling that connects with broad audiences.

## Professional Experience

### **Editor & Producer | The Workshop Content Studios**

2018 – Present

- Director, producer and editor across documentary, unscripted, commercial, food, and sports television for national broadcast and streaming platforms.

## Selected Credits

### **Co-Director / Editor | Peacock, Tubi**

*Traveling the Spectrum Seasons 1 – 3 (2024–2027)*

- Co-directed and edited three consecutive seasons of the documentary series, shaping story from development through final delivery across 18 one-hour episodes.
- Collaborated with crew and cast to create an accessible and respectful production environment.
- Led editorial through final delivery, incorporating production and client feedback.

### **Editor | Cooking Channel**

*Chef Swap at the Beach S3 – 2024*

- Shaped story, pacing, and character arcs from unscripted production footage.

### **Editor | ESPN 2**

*Dynamic K9 Duos – 2022*

- Shaped story and editorial voice alongside the showrunner.

### **Showrunner | ESPN 2**

*The Charlie Rymer Golf Show Season 2 – 2022*

- Showrunner for 12 episodes. Directed on set with high-level talent such as Brian Baumgartner, Dustin Johnson, and others.
- Led a 7-person field crew and 5-person remote post team.

### **Director | National Commercial Spots**

*Beach Gets Golfers Campaign – 2021*

- Directed 15-person crew for 2-day, 6-location commercial shoot.
- Partnered with agency and client on creative execution and location planning.
